

# How Do I Earn My NMHS Health Plan Premium Credit For Wellness?

Complete these **3** easy steps for you and your spouse to qualify.

**1.**

For employees and spouses covered under the NMHS Health Plan in 2017, you will need to schedule an appointment to complete your NMHS Health Plan Wellness Visit with a Connected Care Partners or Health Link provider between January 1, 2017 and October 31, 2017.

If you do not have a primary care provider, call The Desk at 1-800-843-3375.

**2.**

At the time of scheduling and at the beginning of your visit, ask your Connected Care Partners or Health Link provider for the NMHS Health Plan Wellness Visit.

**3.**

Once your Wellness Visit is completed (within the date range above), Acclaim will capture documentation of your NMHS Health Plan Wellness Visit for the 2018 NMHS Health Plan Premium Credit.

To locate a provider or verify your provider is in-network: visit <http://www.acclaimtpa.com/provider.asp> or call Acclaim Customer Service at 1-800-317-2324.
